### **Personnel Policy**

### **Dress Code and Appearance Policy**

#### **Purpose**

Family First Credit Union strives to create an environment reflective of our community and the professional financial services we offer. Quality service, positive behavior, good member relations and professional personal appearance are key factors in creating and maintaining a favorable business image. Accordingly, the Dress Code and Appearance Policy sets forth the expectations for all Credit Union employees regarding appropriate workplace dress and appearance.

#### **Policy**

All Credit Union employees are required to maintain a professional business-like appearance during working hours. Employees' dress, hygiene, and grooming must be appropriate to the workplace and in line with the requirements of this Policy. Credit Union employees must adhere to the Business Dress Code from Monday to Thursday, but may follow the Casual Dress Code on Friday and Saturday, unless otherwise communicated by management. If an employee has a meeting scheduled with a client on Friday or Saturday, however, the employee should abide by the Business Dress Code for that day.

If, in the Credit Union's sole opinion, an employee's dress or appearance does not meet Credit Union standards as articulated in this Policy, he or she may be sent home, without pay, and directed to return to work with a more professional appearance. Violations of this Policy will result in disciplinary action, up to and including termination of employment for repeated violations.

Questions regarding this Policy or expectations for compliance should be directed to an employee's direct manager or an Officer of the Credit Union.
