

Family First Credit Union

Expedited Funds Availability Policy and Procedures (Reg CC)

General Policy Statement

Family First Credit Union offers same day or next day availability for most funds deposited with the Credit Union. Regulation CC implements the requirement of the Expedited Funds Availability Act (EFAA). The purpose of the regulation is to ensure prompt availability of funds and to expedite the return of checks deposited into checking accounts.

Definitions

- ✓ **Account.** A transaction account. An account generally includes those from which the accountholder is permitted to make transfers or withdrawals by negotiable instruments, payment order of withdrawal, telephone transfer, electronic payment, or other form of transfer. Account does NOT include a savings account.
- ✓ **Availability.** For determining the availability of a deposit, every day is a business day, except Saturdays, Sundays and federal holidays. If a federal holiday falls on a Sunday, the next day is not a business day. If a member makes a deposit before 4:00 pm on a business day that the Credit Union is open, the Credit Union will consider that day to be the day of deposit. However, if a member makes a deposit after 4:00 pm or on a day the Credit Union is not open, the Credit Union will consider the deposit to have been made on the next business day that the Credit Union is open.

Disclosure

Family First Credit Union conscientiously informs members of its funds availability policy by providing members with:

- ✓ **Disclosures upon Request.** The Credit Union will provide a copy of its funds availability policy to any member who requests a copy. The Credit Union will also assist members in comparing the Credit Union's policy with other institutions.
- ✓ **Initial Disclosures.** Before a member opens a new account, the Credit Union will provide the member with written disclosures that clearly and conspicuously explain the Credit Union's funds availability policy.
- ✓ **Branch Notice.** The Credit Union will post its availability policy at a conspicuous place in every location where deposits are accepted.
- ✓ **Change-in-Policy Notice.** If the Credit Union ever changes its funds availability policy it will notify all members of the change at least 30-days before implementation.

Same Day Availability

- ✓ Cash Deposits and electronic funds transfers including Automated Clearinghouse (ACH) transfers for Social Security and electronic payroll must be made available for withdrawal on the same-business day Family First Credit Union receives the funds.

Next Day Availability

The following types of funds generally meet the standards for next-day availability. Family First Credit Union generally will give same day availability for the following types of funds:

- ✓ **Government Checks;** for example, U.S. Treasury checks, U.S. Postal Service money orders, checks drawn by the State or an agency of the State or a branch of local government deposited in an account held by the payee of the check.
- ✓ **Depository Checks;** i.e., Travelers Checks, cashier's checks, certified checks, and money orders.
- ✓ **On-Us Checks;** i.e., checks drawn against accounts of Family First Credit Union.
- ✓ **Checks Covered by Member's Account;** i.e., situations where the member's account balance exceeds the amount of the check.

- ✓ For checks not described above, the lesser of \$225 or the aggregate amount of such checks must be available, except that:
 - If the member receives cash at the time of the deposit, the amount of cash received is not required to be credited. For example, if the member deposits a \$300 check and receives \$100 cash back, the Credit Union need not make an additional \$225 available for withdrawal the following day.
 - If the member has a negative book balance or a negative available balance in the account at the time of the deposit, the \$225 that must be available on the next business day may be made available by applying \$225 to the negative balance, rather than making \$225 available for withdrawal.

Second Day Availability

For the following types of checks that are not deposited in person (i.e., through the mail or ATM owned by the Credit Union) or deposited into an account other than the named payee, the Credit Union will make funds deposited in an account by check available for withdrawal no later than the second business day following the banking day the funds are deposited, in the case of:

- ✓ A U.S. Postal Service money order that is not governed by the next-day availability requirements.
- ✓ Check drawn on FRB or Federal Home Loan Bank, a check drawn by a state or local government; a cashier's check, certified, or teller's check.

Fifth Day Availability

Except as provided under "exceptions" below, the Credit Union will make funds deposited in an account by a check available for withdrawal no later than the fifth business day following the banking day funds are deposited. Cash or checks deposited into a nonproprietary ATM must be made available no later than the fifth business day following the deposit.

Withdrawal by Cash or Similar Means

The Credit Union may extend by one business day the time that funds, deposited in an account by one or more checks governed under *Next day Availability* and *Fifth-Day Availability* above,

are available for withdrawal by cash or similar means. (Similar means include electronic payment, issuance of a cashier's check or teller's check, or certification of a check, or other irrevocable commitment to pay, but not including the granting of credit to a bank, FRB, or FHLB that presents a check to the Credit Union for payment.) The Credit Union will make \$450 of these funds available for withdrawal by cash or similar means not later than 5pm on the business day on which the funds are available. This \$450 is in addition to the required \$225. Cash withdrawals for the remainder of the funds (over the \$450) can be delayed until the following business day.

"Case-By-Case" HOLDS

If Family First Credit Union has a policy of making funds available sooner than required by the foregoing rules, the Credit Union may extend the time when funds are available up to the time periods permitted on a case-by-case basis, subject to the following requirements.

- ✓ **Initial Disclosure.** Before opening a new account, the Credit Union must disclose its case-by-case hold policy.
- ✓ **Notice at Time of Hold.** The Credit Union must also provide the member with notice at the time of the deposit. The notice must state:
 - Statement that the Credit Union is holding the funds.
 - Member's name and account number.
 - Date and amount of deposit.
 - Date when funds will be available.
 - How to obtain a refund of returned check fees or overdraft fees if the notice is not given at the time of the deposit, and the check is paid.
- ✓ **When Given.** Ordinarily, notice is given when deposit is made. If the deposit is not made in person, notice should be given no later than the first business day thereafter.
 - If the notice is not provided at the time of deposit, no overdraft fees may be assessed if the overdraft would not have occurred except for the delay of funds availability and the check was paid. Overdraft fees may be assessed if the institution provides notice of such fees at the time the notice of delayed funds is given, and is willing to refund such fees upon request by the member.
- ✓ **How Given.** Notice can be delivered personally to the member when the deposit is made, mailed, or faxed. In addition, it can be delivered by e-mail if the member agrees to receive e-mails and if the e-mail can be downloaded and printed.

The Credit Union may place a specific exception hold where the transaction involves reasonable belief that the check is uncollectible; repeated overdrafts; new accounts; large deposits; re-deposited items; and emergency conditions.
